

Walk by the river

One of the highlights of this year's Kirloskar Vasundhara festival will be the Ramnadi river walk. Ramnadi originates in Bhukum and flows through Bhugaon and Pashan lake, finally merging into the Mula River. The 300-foot plastic polluted banks of the river compel you to recalculate the environmental degradation and the sustainability of the endangered rivers.

 **WHERE:** Hotel Ranmala, Baner

 **WHEN:** January 6, 7.30 am

 **CALL:** 8087776595
