

Debate on plastic pollution held at Anand Niketan

LOKMAT NEWS NETWORK
NASHIK, SEPT 5

A debate on 'Plastic Pollution' was held at Anand Niketan School under the ongoing

Kirloskar Vasundhara International Film Festival in the city. It was an interesting and interactive session organised by environmental expert Amit Pillu and the chil-

dren learnt about the bad effects of plastic which is literally choking out planet. The students participated enthusiastically and took a vow not to use plastic.
